

FUNDAMENTALLY GREEN

Leggett & Platt's STAINMASTER® carpet cushion line offers four choices of environmentally friendly carpet cushion. Whether you choose Supreme™ or Select™, which are made with 100% recycled materials and are also 100% recyclable, or Premium™ or Splendor™, which are 100% recyclable, we've given you a way to ensure that your choice has minimal impact on the environment. All four options contribute toward LEED® green building credits.

Where your carpet's comfort comes from.

When buying a new carpet, don't forget the importance of a quality carpet cushion. Selecting the right cushion can increase the comfort and longevity of your carpet. By providing support and absorbing shock, carpet cushion keeps your carpet looking and feeling great longer.

For superior comfort and performance, look no further than STAINMASTER® carpet cushion by Leggett & Platt®.

STAINMASTER® Premium™ Rubber XD®

- Rubber XD® is extra durable yet pliable, and provides a plush, luxurious feel
- XD technology extends the life of carpet
- Premium Protection
 - Breathable moisture barrier keeps most common household spills out of the cushion while allowing damaging water vapor from below to evaporate
 - Fresh Dimension® treatment helps to resist mold and mildew in the cushion**
- Recommended for radiant-heated flooring

STAINMASTER® Splendor™ DuraPlush® Foam

- DuraPlush® foam technology
 - Adds superior cushioning and a rich fullness underfoot
 - Ensures durability and long-lasting beauty of carpet
- Exclusive textured design for amazing comfort
- Premium Protection
 - Breathable moisture barrier keeps most common household spills out of the cushion while allowing damaging water vapor from below to evaporate
 - Fresh Dimension® treatment helps to resist mold and mildew in the cushion**

Extend your STAINMASTER carpet limited warranty*
